

# TSC

TSC offers your Team Gymnast a summer camp program that compliments their training schedule. Each child's daily schedule is personalized around their Team practice times, by the dedicated TSC counselor who will ensure that your child is always at the right place at the right time! TSC Daily programming includes: Creation Station, Swim lesson, Game Zone, Briar Patch and Woodlands programs as well as open gym, and open swim. Please note that when your child is in practice, they will miss one or more of the scheduled TSC programming blocks.

TSC can be scheduled before or after practice, or on days that your gymnast does not have practice.

TSC is a mixed age and mixed level program — all TSC campers are members of our competitive team.

### Action Kids Summer Camp

If you would prefer, you can enroll your child in our Action Kids summer camp, where they will be placed with other children the same age. Space is limited in Action Kids Summer camp and all groups fill to capacity, before summer starts. Please note the following:
